The newsletter dedicated
to Falcon lovers
... everywhere!

THE FALCON CLUB OF AMERICA, INC. is a nonprofit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1970. Roy E. Sword (501/982-4240) founded the worldwide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are \$20.00 (\$25.00, payable in U.S. funds, outside the United States) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113.

THE FALCON NEWS is published monthly with information from its members. All copy for The Falcon News should be sent to the editor, Kathy Lerner, 2721 Gilboa Ave., Zion, IL 60099-2421. Copy must be received by the first of the month preceding date of issue.

President's Message

December is always an exciting month. For many of us it is a time to get together with our loved ones. It can also be a very busy, hectic time. It is also a time for remembering back to previous Decembers. It is a time of giving; when thinking about gifts, remember the club store and all of the vendors who have supported our club during the past year.

As I warmed up the Hardtop before leaving for our chapter meeting, I remembered just two years ago in Florida when Carol and I drove the convertible, top down, in two Christmas parades, and then cruised at Old Towne on Christmas Eve. While the weather may be very different, the enthusiasm club members have for their Falcon Friends and their Falcons is great world wide.

The Gateway Chapter did a great job on their all-Ford show. I hear the South Central picnic, hosted by the Founder's and the Lone Star chapters was great. A big Falcon Thanks to all involved. Word from Orlando, '97 Convention Headquarters, is that things are going well. If you are interested in e-e-early registration, please contact Russ Hoeksema, our National Vice President and head of registration for the '97 Convention.

Carol and I have really enjoyed receiving newsletters from all of the chapters. I knew we had a fantastic club but did not realize how fantastic until I started reading all of those great chapter newsletters. Keep up the great work!

Update from the newsletter committee: I was hoping we could publish the planned changes to the newsletter in this issue, but we are still waiting on some additional bids. I keep telling myself, "Good things come to those who wait."

From the Springer branch of the Falcon Family Tree to your branch of the Falcon Family Tree — Happy Holidays.

Steve and Carol

P.S. — Chapter officers, remember to submit your chapter rosters to Ruby, our super secretary, before the end of January. Thanks.

Vice President's Message

This is my first message to the members of the FCA, so let me introduce myself. I have been a member of the FCA since 1982. During this time I have served as the Southeastern Regional Director for five or six years and just finished a five-year term as a Director. My wife Harriet and I are charter members of the Suncoast Chapter, a very successful chapter that has hosted six regional meets and will host the National Show in 1997. We attended the 3rd Annual Meet in Memphis in 1983, and have been to every one since except the first one in Dallas and the second in Kansas City. The National Show keeps getting better and better, and the quality of Falcons displayed gets more outstanding every year. I believe that if anyone goes to a National for the first time, they will have to go to another, and another, and another!!!

I need to give a word of thanks and appreciation for my predecessor, Marty Martin. He did a tremendous job as vice president, and his talents, abilities and enthusiasm will be missed. Thanks, Marty, for all you did for the FCA. Your shoes will be hard to fill.

At the Carolinas Regional I had a long talk with our new president, Steve Springer, and came away impressed with his ideas and goals for the FCA. I feel my job as vice president (besides keeping Steve healthy) is to assist him in any way that I can as he and the officers of the FCA carry out the direction set by the Board of Directors. The directors and officers of the FCA welcome and look for input and ideas from individual members as we *all* seek to promote the **Ford Falcon** and make our club the best that it can be.

If you have a computer and "surf the net," check out the **Falcon on the Web** — <http://www.best.com/~fdg/index.shtml> . Brian Sullivan is doing an excellent job promoting the Falcon! Thanks, Brian.

Keystone Chapter Hosts 7th Regional Meet

The Keystone Chapter held their 7th Annual Regional Meet at Lancaster, Pennsylvania, on September 13 and 14. Everyone had a nice time with all the planned activities, such as 50/50 drawings, raffles and various games.

The new president of the national, Steve Springer, attended, and all enjoyed having him take part in the event.

Forty-seven Falcons competed for 1st, 2nd, and 3rd place trophies in many classes. Door prizes were given away at the banquet.

Chapter News

Notes from All Over

The *River City Chapter* had a very busy September. They had 11 cars and 20 people attend the Gold County tour to Pioneer, where they went antique shopping as well as having a barbeque lunch at Clyde and Faye Buchanan's home. They also had a good showing at the annual Willows event. Next came the lunch cruise to the Squeeze In where everyone enjoyed the great burgers and fantastic fries.

Twenty-seven members and seven Falcons attended the September meeting of the *Great Lakes Chapter* that was held at the Gilmore Classic Car Museum. They were guests of the West Michigan Classic Pontiac Club and Cole Gilmore Pontiac at Ponchos Plus Classic Car Show. It was a beautiful day at an absolutely gorgeous location. Everyone had a good time. The hospitality was great, and thanks go to Jerry Fassett for arranging the meeting.

The October monthly meeting of the *Founder's Chapter* was a joint picnic with the *Lone Star Chapter* at Wright Patman Lake at Texarkana, Texas. Approximately 45 people and 11 Falcons attended the great family outing. Several members have been participating in area car shows.

The *Southeast Falcon Chapter* members went to a car show in Pigeon Forge, Tennessee, in September. While the men enjoyed looking at the cars, the women went shopping at all of the outlet stores. Everyone had a great time. They also attended the Carolinas Chapter 2nd Annual Regional Meet on September 19-21. It was a great show with wonderful hospitality to all of us. They send their congratulations to the Carolinas Chapter for a job well done. The plaques had a very pretty color on them, and everyone brought one home.

Erie Canal and Ontario Chapters Joint Picnic

Darien Lake State Park was the setting for the joint meeting of the Erie Canal and Ontario Chapters. There were 50 people and 18 Falcons in attendance.

Ontario Chapter Picnic

Even though it was raining, 25 hearty members of the Ontario Chapter and 11 Falcons attended the chapter picnic at Dave and Wendy Cambell's country home. Everyone received a goody bag and a beautiful plaque to commemorate their first picnic. There was great food and many giveaways.

CALENDAR OF EVENTS

1997

May 23-24 TN Music City Chapter Regional, Nashville.

Jun 20-21 CA 7th Annual Pacific Regional.

Jul 17-19 FL FCA 1997 National Meet, Orlando.

2nd Regional Meet Hosted by Carolinas Chapter

On September 19 and 20 the 2nd Annual Carolinas Regional Meet was held in Charlotte, North Carolina. It was a huge success thanks to all the fellow club members who attended. As the saying goes, "They came from everywhere," from Florida to New York, Michigan to Colorado, even from Great Britain! A total of 83 Falcons from 11 different states came to the show. The weather was beautiful and everyone had a great time.

Thanks to our guest speaker, Phil "Daddy Warbucks" Bonner, and current owner/driver of the famous red Falcon, Dick Estevez, many regional T-shirts and awards went home with famous signatures on them. The Best of Show trophy went to Fred Caldwell for his '63 Sprint. Bob Passino from Rochester, New York, was awarded the Longest Distance trophy. Oldest Falcon trophy went to Howard Baker for his '60 Ranchero.

The Carolinas Chapter wishes to thank all the FCA members who attended the regional and supported them in this effort. They really appreciate it and hope to see even more Falcon Club members at the 3rd Carolinas Regional in 1997.

Falcon '63 features 19 different kinds of fun in 19 spunky, spanking-new models. Leading the parade are two surprises – the all-new Falcon Sprint Hardtop and Sprint Convertible! Their luxurious bucket seats and sports car trimmings lead a long list of the liveliest standard features ever offered in a compact! More pleasant surprises. The elegant Futura is now a complete series, with three sedans, two hardtops and two convertibles. And there are eight Falcon wagons, each loaded with the wonderful utility that has

Fun is what's new in Falcon ...the all-time economy champ!

In the Spotlight from Miami, Florida **“1962 Miami Spice”**

To all Falcon lovers, I congratulate you on owning a Falcon!

My 1962 deluxe had been abandoned in the front yard of a house in south Florida. It looked as bad as any old car would, and probably even worse than some. With half of my family mocking me and telling me I was wasting my money, I bought it anyway.

At first I just stared at it and wondered where to start. Now, two years later, and with no expense spared, it's a 170 automatic four door that's been clear-coated and painted Milano red. Everything on it is either original or NOS, including the stone guards, skirts, and wheel covers; and I did all the restoration myself. Special thanks and credits to Melvin's Classic Fords and Northwest Classic Falcons for helping with the restoration of my car. It even has a 1962 Florida registered tag.

Thank you for having a Falcon Club. I'm looking forward to Orlando in '97, and I'll keep representing the Falcon Club by showing my car at events in south Florida.

Oh, by the way, now my family begs me to take them for a ride in it!!!

Letters

to the Editor

Dear Madam:

I require information on the detailing of a 1962 Ford Falcon 144 cu. in. 6 cylinder 3-speed manual transmission 4-door saloon XL. The information I require is on colours of engines, ancillaries and transmissions.

My car is grey in colour with a light blue and light grey interior. What other colours were available with this colour interior.

I would appreciate any colour photographs of other members' car of this year model.

Also, lastly, are the videos of the national conventions available in the English G.B. format - VHS PAL SECAM - from the Falcon Club Store.

Yours faithfully,
 John Purcell

Dear Kathy,

I need any information about the 1963 and 1964 Falcon Rally Sprints built by Holman Moody and Lincoln Motors for FCA historical files. Especially needed are color photos and photos of the 1964 interiors. I believe we have most of the magazine articles of the times, but please write me with anything that you might have. Any original material that you have and are willing to donate will go to the FCA archives kept by Bob Passino.

Thanks,
 Ray Roberts

Tech Tips

The “Ins & Outs” of Car Storage

For short term storage (six months or less) follow these steps:

1. Wash and wax.
2. Change oil and filter.
3. Lubricate chassis.
4. Check antifreeze strength (don't forget coolant overflow and windshield washer reservoirs).
5. Fill gas tank to reduce condensation.
6. Run engine until thoroughly warmed up (run air conditioning during this time to lubricate all seals*).
7. On automatics, set gear selector to park. On standards, set gear selector to reverse.
8. Do not set parking brake.
9. Jack vehicle to remove weight from tires.**
10. Fully charge battery.
11. Disconnect battery cables.
12. Remove any items that might freeze, leak or deteriorate from trunk, glove compartment or interior.
13. Close all windows, doors, trunk and hood securely.
14. Lock vehicle and store keys in a safe place.
15. INFLATE TIRES TO 35-40 PSI.
16. Cover vehicle.

For long term storage (over six months) add to the above-mentioned steps:

1. Paste wax bumpers and chrome, but do not buff out the wax.
2. Omit step 5. Instead, lubricate combustion chambers and valves*, then drain gas from tank, lines, and carb.
3. Remove battery from vehicle and store in a well-ventilated area where the temperature remains above freezing.

**9. “Jack vehicle to remove weight from tires.” The front end should

be blocked under the control arms so that the suspension still supports vehicle weight but the tires are off the ground. The rear end should be similarly supported by stands under the rear axle. Locate the stands directly under the vehicle's springs to prevent unnecessary loading on the axle housing.

*6A. “Lubricate combustion chambers and valves.” After thoroughly warming the engine, remove the air cleaner and slowly pour one pint of 10W or lighter oil into the carburetor while the engine is idling. Pour slowly at first and then more quickly until the engine stalls. Reinstall the air cleaner. Then completely drain all gasoline from tank, lines, and carburetor.

DO NOTS

Never cover a car with plastic sheeting because plastic tends to stick permanently to the paint as it ages. And never tape any covering directly to a vehicle's painted surfaces (for the same reason you should not use plastic) because with age the tape will dry out and its adhesive will become permanently bonded to the paint.

Falcon on the Web

Ford Falcon On The Web has been selected by ADP AutoConnect as recipient of the ADP AutoConnect High Octane Site Award, according to Jim Maguire, ADP AutoConnect Editor.

FFW was selected because of its exceptional presentation, quality content and overall value to Internet users within the automotive community.

An ADP AutoConnect High Octane Site can benefit from a substantial, steady flow of quality traffic from Web users with automotive interests. The site has been authorized to display the ADP AutoConnect High Octane Site badge.

Classified Ads

To Advertise:

FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the Classified Ads. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must appear with a member's name to be considered a free ad. All items advertised for sale must have a price for the ad to run. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page — \$50.00; Half page — \$30.00; Quarter page — \$20.00; Quarter page photo ad — \$15.00 for members, \$25.00 for nonmembers.

All ads should be sent to the editor. Payment must accompany the ad, with the check or money order payable to the Falcon Club of America.

Ad must be received by the first of the month for the next month's issue.

The FCA reserves the right to refuse advertising from any person or business.
